

## MORRISONS

### Business Sector - Retail

---

Vanquish IPS are suppliers of specialist contract labour in the field of time and attendance.

In 2008, WM Morrisons PLC contracted Vanquish IPS to install time and attendance data collection units at 376 retail sites within the UK. This was achieved on schedule and to budget.

Currently they provide emergency breakdown coverage to over 400 retail sites throughout the UK, in addition to a number of distribution centres.

A fixed service level agreement is in place between WM Morrisons PLC & Vanquish IPS who have achieved 99% compliance over a three and a half year period. The total term for the contract to supply is five years.

WM Morrisons PLC are fully satisfied with the quality of services supplied, which reflect good value for money. As a consequence of this, Vanquish IPS remain the preferred supplier for time and attendance solutions to WM Morrisons PLC and are the preferred contract for any additional time & attendance related works.

“ WM Morrisons PLC are fully satisfied with the quality of services supplied which reflect good value for money. As a consequence of this, Vanquish IPS remain the preferred supplier for time and attendance solutions to WM Morrisons PLC and are the preferred contract for any additional time & attendance related works. ”
